- **5th Grade students (only):**
  - 2 Study Island Science Lessons (worth 1 grade per lesson)

- **K-5th students:**
  - Holiday Traditions Project (worth 1 grade social studies)

Holiday Traditions Project

We have had such a great time studying holiday traditions of countries around the world as well as our holiday traditions here in the United States. This project is a chance for you to present your favorite traditions and tell us if you have any similarities in your traditions to the countries we have studied.

You will need to pick one of the projects below and be prepared to present it to the class on Monday, January 4th. Use the My Holiday Traditions sheet as a guide for the information you should include in your project.

Project choices- (Pick one)

1. Create a scrapbook of your family's traditions. You must include the answers to all questions listed on the My Holiday Traditions sheet and include at least 5 pictures that represents your family's tradition.
2. Create a Power Point Presentation with your family showing us your traditions. You must include the answers to all questions listed on the My Holiday Traditions sheet in your video.
3. Create a poster of your family's traditions. You must include the answers to all questions listed on the My Holiday Traditions sheet and include at least 5 pictures that represents your family's traditions.
4. Create a story about your family's traditions. Use your family member as your story characters. Include information from the My Holiday Traditions Sheet.

My Holiday Traditions

I celebrate

When?

What food do you eat during the holiday?

What is your favorite holiday treat?

Does your family eat something you do not like during the holidays?

What special traditions does your family have?

Has this tradition been passed down in your family and if so, for how long?

Compare your tradition to a tradition of one of the countries we have studied.

How do you decorate for the holiday?

What is your favorite decoration?

My Holiday Traditions
Rubric
Total points- 100

	Did not answer all questions (5 points)	Answered most of the questiions (10 points)	Answered all questions (20 points)
