

Happy Student Services Week!!

Meet the wonderful and supportive Student Service team for Miami Community Charter Elementary. We appreciate the hard work and dedication of this team.

Mrs. Olmo, Mrs. Meneses, and Mrs. Gonzalez

I help the students to dream by being a role model.

Kids are always watching. Kids learn from watching us, so let them see that you believe in yourself and let them see you working to accomplish your goals. If they see you setting and achieving your goals, they will grow up to do the same.

Be the best example!

-M. Gonzalez

“Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars and to change the world.” – Harriet Tubman

-V. Meneses

We are here to guide our students and to teach them that if you are kind to each other, if you stay focused and motivated in class and you put your safety first, you can succeed in life. Remember everything has a solution...just ask someone you trust.
